Re: Emir Habul

To Whom It May Concern:

The purpose of this letter is to confirm the work history of Mr. Emir Habul while he was employed with Digital Net Computers (DNC) d.o.o., AQSA InfoSec department in Sarajevo, Bosnia and Herzegovina. My name is Tarik Rahmanović and I hold the position of principal security architect with OfficeMax inc.

I worked for Digital Net Computers (DNC) d.o.o. in the position of lead security analyst. From my personal, first-hand knowledge, I confirm that Mr. Emir Habul was a part-time (working an average of 15 hours/week) employee of Digital Net Computers (DNC) d.o.o. in Sarajevo, Bosnia and Herzegovina from April 1, 2005 through October 1, 2005. Emir held the position of Security Auditor and worked under my direct supervision from April 1, 2005 through October 1, 2005.

As a Security Auditor, Mr. Habul was responsible for performing and security audit and penetration test for local insurance institutions, government agencies, and banks. He consulted and implemented network security systems including anti-spam, firewalls, and intrusion detection.

During Mr. Habul's employment at Digital Net Computers (DNC) d.o.o., Mr. Habul demonstrated in-depth knowledge and experience in:

- C (programming language)
- Software development tools: Code editors (VIM), and revision control systems (SVN)
- *nix utilized in file manipulation and simple commands

If any further information is needed, please contact me.

Sincerely,

Tarik Rahmanović
Principal Security Architect
