

31 December 2024

Employment Certificate and Verification for Emir Habul

To whom it may concern:

This letter is to verify that Emir Habul has been employed in the position of Software Engineer at Tillion, Inc., working remotely from 24 January 2022 till 31 December 2024 and earning a base pay of USD \$100,000.00 per year.

As a software engineer, Emir creates and maintains computer programs and systems. He writes code to build applications, fix bugs, and improve existing software. Emir works with coworkers to solve problems and create digital solutions that meet business needs, while staying up-to-date with the latest technologies.

You may contact me if you require any further information.

Sincerely,

Barak Naveh 
CTO and Founder of Tillion Inc.
